Key Findings & Recommendations

Revenue Growth

Strong H1 growth — June alone generated $166K. Investigate what drove peak performance to replicate it in H2.

Prioritize Breakfast Slot

Breakfast is the #1 revenue slot at $220K. Optimize staffing, inventory, and promotions for morning hours.

Locations Balanced

All stores within 3% of each other. Focus on replicating Hell's Kitchen's Rush Hour success at other locations.

Coffee Dominates

Coffee + Tea = 67% of revenue. Strengthen these categories with loyalty programs and seasonal specials.

Boost Weekend Traffic

Weekend revenue is only 28% of total. Targeted weekend promotions could add significant incremental revenue.
